

Advice for Liverpool Football Club Supporters

Paris Saint-Germain F.C. Vs Liverpool FC

20:00 BST / 21:00 KO (Local time)

Liverpool Football Club appreciates the dedication and loyalty of our travelling fans. Below is general advice and information which you may find helpful when planning your trip.

Important Information

Stadium address: 24 Rue du Commandant Guillbaud, 75781 Paris Cedex 16

- Kick-off is at 21.00 CET (20.00hrs BST) on Wednesday 28th November 2018. Turnstiles will open at 18.00hrs CET (180 mins before kick-off). Paris is one hour ahead of the UK (+1 BST) so remember to adjust your watch!
- Liverpool FC supporters are advised that Paris is a large cosmopolitan city and is the most visited capital city in the world. Although largely associated with culture, the centre of fashion, cuisine, art and architecture - life outside of the city lights can be a very different story.
- Paris is 'generally' considered as a safe tourist city, like most European capital cities. However, the need to remain vigilant still applies.

- Pickpockets are extremely active in Paris, especially in tourist locations / landmarks. Pickpockets work in groups and deploy various tactics based on distraction techniques. For example; loud music, asking if you have dropped something (ring, jewellery etc) and at crowded pinch points like a zebra crossing. Be extremely cautious.
- Be **extra vigilant** at Gare du Nord train station and using the underground. These are known locations for pickpockets / petty thieves, and travelling tourists are the unsuspecting targets.
- Like almost every city in the world, some areas are safer than others. The centre and most of the tourist hotspots are considered livelier and more vibrant, by either day or night.
- There will be two designated meeting points that all travelling supporters should meet at, and these are: *'The Eiffel Tower'* and / or *'Porte de Saint-Cloud'*.
- Fans are advised that the Metro, located at Léna Underground Station - 75116 Paris, France - will take them to Porte de Saint-Cloud, via Line 9. PSG, Le Parc des Princes, is a 5-minute walk from the metro.
- Fans are reminded to remain vigilant at **ALL** times with regards to their own personal safety.
- Upon arriving at the stadium, **ALL** fans will have their tickets checked at the first checkpoint, will have a body search at the second checkpoint prior to accessing the turnstiles and will then need to scan the barcode on the ticket at the turnstile entry point.
- The official currency of France is the Euro.
- **ALL** fans will be wrist-banded upon arrival at the stadium, provided by the club.

** TRAVEL TIPS **

- Plan to arrive early on matchday
- Travel light - Big bags and backpacks cannot be taken into the stadium. There are no bag deposit facilities provided.

Getting to Paris (France):

By plane:

Paris has two airports, Roissy Charles de Gaulle (CDG) to the north and Orly (ORY) to the south. If you arrive in Paris by air, public transport will get you quickly and cheaply into central Paris. Most international flights arrive at Roissy Charles de Gaulle (CDG), 30 kilometres from the city centre. Orly is 18 kilometres from the city centre. A third airport, Paris Beauvais, is mainly served by low cost airlines.

Pre-match / Getting to the stadium:

LFC supporters are advised that the *'Eiffel Tower'* and *'Porte de Saint-Cloud'*, are the designated meeting point(s) for Liverpool FC supporters whilst in Paris on matchday. It is strongly advised, for reasons of safety, that supporters make to one of these locations. The local police have agreed to be present at both meeting points.

From the Eiffel Tower you can take the Metro from Léna station on line 9, opposite the Eiffel Tower, named after the Avenue d'Iéna. This can be accessed by Pont d'Iéna bridge which spans the River Seine. It links the Eiffel Tower on the Left Bank to the district of Trocadéro on the Right Bank. The cost of a metro ticket from here to the stadium is around 2 Euros – approx. £1.75.

Parc de Princes Stadium is built on top of the Parisian ring road Périphérique. It lies approximately 4 kilometres south-west of the Eiffel Tower, and less than 1 kilometre south of the Bois de Boulogne and the Roland Garros tennis complex. Metro stop 'Porte de Saint-Cloud' on line 9 lies a 5-minute walk away from the stadium. Line 9 passes right through the Parisian city centre (on the north bank of the river Seine) and connects with multiple other lines.

A metro station map can be found online at: <https://parisbytrain.com/paris-metro-rer-map/>

Below is a metro station map for Paris. Fans should head Westbound from Léna, which is located between Alma Marceau and Trocadéro, on line 9.

Porte de Saint-Cloud station is also served by buses 22, 62 and 72, whereas Porte d’Auteuil is served by buses 32 and 52. All buses run through the city centre on different routes. Walking to the stadium from the Eiffel Tower will take approx. 50mins to 1hr and is just over 4km. Public transport and the routes mentioned, will be the easiest way to access the stadium. There are several bars, restaurants, shops and points of interest at the fan meeting points.
