Benefits 2020/21

LFC are currently playing behind closed doors, therefore the benefits that the Club can offer Members will be the following until full capacity is resumed at Anfield and at other LFC sites.

Full selling criteria for the 2020/21 season will be communicated once we have further clarity on supporter access to the stadium. Subject to that clarification, and in the event that we have a full capacity for supporters, we would expect the allocation of tickets in Members Ticket Sales(s) for PL home games to be based upon previous purchase history.
