

Liverpool FC has released the following away ticket details for the Premier League fixture against Manchester United on Sunday October 24, 2021.

The match at Old Trafford will kick off at 16:30.

The club have received a total allocation of 3038 tickets for this all-ticket fixture. This is a reduction compared to the initial 3080 we received in season 2019/20.

Manchester United have confirmed that the reduction is due to 42 seats being removed to accommodate the installation of a new dedicated visitors wheelchair/amenity section.

Please only buy tickets if you plan on attending the game - tickets are strictly non-transferable.

Supporters not in possession of a ticket are urged not to travel.
