

## UEFA CHAMPIONS LEAGUE AWAY FIXTURE against Rangers FC to be played on Wednesday October 12, 8pm BST

The club has received an allocation of 2636 tickets for this all-ticket fixture.

In line with UEFA guidelines, a further 240 top category seats have been allocated to be used as part of the players' allocation and staff, travelling club staff and VIPs.

Following a full site visit to Glasgow on Tuesday September 20, and following discussions with supporters, the club will implement a ticket collection process for this fixture for 800 supporters. Supporters selected at random will need to collect their ticket from a designated location in Glasgow.

A digital verification trial will also take place for 200 supporters who will be asked to swipe their NFC pass at the Ibrox stadium prior to entry. The club have been encouraged to trial this by supporters as a possible future alternative to collects.

All bookings will be entered into a randomised ballot process. Every supporter named on the online form as attending the game within each booking selected to collect or swipe their NFC pass will be notified by email and SMS on Monday October 3.
